

# LIST OF ALL BOOKS

This report lists all the Books in the Toronto Family History Centre (FHC) at Don Mills and Eglinton. In this report, the Books are arranged according to Location Codes, which have been created by and are unique to the FHC. (There is a separate report, "List of All FHC Resources", in which these Books and other resources at the FHC are arranged in geographical order.) The Location Codes indicate the physical location of the books at the FHC, by bookcase and then by shelf, and the books are listed in the order in which they are found on the shelves. They are sorted generally by Region, Location and Description.

## KEY:

**LOCATION = Location Code, consisting of the bookcase number (such as BK2) and then the shelf number (such as -3); eg. BK2-3 is the third shelf of bookcase 2. At the FHC, the bookshelves are all marked.**

## **REGION = Part of the World**

**BLANK = GENERAL**

**ASA = ASIA**

**AUS = AUSTRALIA (includes New Zealand)**

**EUR = EUROPE (does not include the United Kingdom and Ireland)**

**NAM = NORTH AMERICA (includes Central America and the Caribbean)**

**SAM = SOUTH AMERICA**

**UKI = UNITED KINGDOM and IRELAND**

## **DESCRIPTION = Country, County/Province/State, Title of the book + Book Group Classification**

The first one or more three-letter uppercase codes, indicating a geographic area or areas, are Chapman Codes. For more information, and a key to the Chapman Codes, see the document "Introduction.pdf".

The description of many of the Books includes a reference to "Dots" or "Stars", which are physically present on the spines of the Books. For a more detailed description of the Dot/Star system, see the Book Listing at the FHC.
