

LIST OF ALL CDs

This report lists all the CDs and CD collections in the Toronto Family History Centre (FHC) at Don Mills and Eglinton. The CDs are all on the lower shelves of Bookcase #3.

In this report, the CDs are arranged according to CD Codes, which have been created by and are unique to the FHC. (There is a separate report, "List of All FHC Resources", in which these CDs and other resources at the FHC are arranged by geographic area.) This report lists the part of the world which the CD covers and a brief description, detailing country, county, province or state (where appropriate) as well as its contents, e.g. ENG Pallot's Marriage Index 1780 - 1837.
